

Hitagen

Antihistamine Syrup

Presentation

Hitagen Syrup 100 ml : Each 5 ml syrup contains Chlorpheniramine Maleate BP 2 mg.

Description

Chlorpheniramine Maleate is an alkylamine antihistamine which possesses anticholinergic and sedative effects.

Indications

Relief of respiratory congestion, allergic rhinitis, vasomotor rhinitis and allergic skin reactions of urticaria and angioedema.

Dosage & Administration

Children under 6 years of age : Safety & effectiveness have not been established.

Children 6 to under 12 years of age : ½ to 1 teaspoonful every 4 hours.

Adults & children 12 years of age and older : 1 or 2 teaspoonfuls every 3 or 4 hours.

Contraindications

Contraindicated in patients receiving MAO inhibitors, in patients with a known hypersensitivity to any of the ingredients and in patients with glaucoma, hypertension, cardiac disease or hyperthyroidism.

Precautions

Should be used cautiously in the presence of pyloric obstruction.

Side Effects

Side effects include blurred vision, bradycardia, mydriasis, flushing, palpitation, dizziness, constipation, urinary retention, drowsiness, increased irritability or excitability, nausea or dysphagia.

Use in Pregnancy and Lactation

It is not known whether this drug can cause fetal harm when administered to a pregnant woman or can affect reproduction capacity. This drug should be given to a pregnant woman only if clearly needed.

Caution should be exercised when this drug is administered to a nursing woman because it is not known whether it is excreted in human milk.

Drug Interactions

MAO inhibitors and beta adrenergic blockers increase the effects of sympathomimetics which may reduce the antihypertensive effects of methyl dopa, guanethidine, reserpine and veratrum alkaloids. Concomitant use of antihistamines with alcohol or other CNS depressants may have an additive effect.

Storage Conditions

Store below 25°C, protect from direct sunlight & heat.

Shelf-life

3 years from the date of manufacturing.

Commercial Pack

Hitagen Syrup 100 ml : Each bottle contains 100 ml syrup with a measuring spoon.
